Dear Smith,

I am contacting you in hopes of continuing my partnering with you for the upcoming 2016 race season. I currently compete at the highest level of competition within the AMA and have a full schedule of AMA Grand National Championship flattrack races scheduled for this season. My riding style is somewhat unique in that I am

currently the only pro amputee flattrack racer in the United States. It is a talent that I have been extremely fortunate to be blessed with and a great platform to inspire those less fortunate. I was named "**AMA Sportsman of the Year**" in Las Vegas at the AMA Sports Awards Banquet in 2006. I've also been featured on the cover of *Flattrack Illustrated*, *Cycle News*, AMA member's magazine, AHRMA magazine, and others as well. My titles include: an **AMA Amateur National Championship** my first year competing as an amateur and several regional championships in the Southeastern US. I was also named **AHRMA Southeastern Flattrack Champion** in 07' in the 70's singles class. For 2008, I was ranked 2nd in the **National AHRMA Flattrack Series**. My goal was to become the **first professional amputee AMA Grand National Championship flattracker** in the USA and I have far exceeded my expectations. The highlight of 2010 would definitely have to be clinching my first **AMA Pro Twins Hotshoe National Championship**. Then, I repeated it in 2011 and couldn't be more satisfied. 2012 led to a top two finish overall at the AMA All-Star Nationals.

These last few years I selected to be a member of the Team Roger C Peace Para Cycling Team, the only development for the US National Team in the country. I compete on the velodrome, as well as on the road and have clinched several gold, silver, and bronze medals at national championship events each year. My next goal is to compete at a limited number of AMA Pro Racing Flattrack events on the motorcycle and earn a spot on Team USA for the upcoming summer Para Olympics in Rio 2016. I have used your products in both sports for several years and am grateful for the support you have provided thus far. I hope that we can continue our partnership for the next season. Thank you!
